Education

Shanghai Jiao Tong University — Shanghai, China
Ph.D. Candidate in Astronomy, GPA: 3.9/4.0 — Sept 2021 – Now

Nanjing University — Nanjing, China
B.S. in Astronomy, Overall GPA: 4.44/5.00, Major GPA: 4.50/5.00 — Sept 2016 – June 2020

- Thesis: "Galaxy Distribution around redMaPPer Clusters in SDSS"
- Advisor: Ying Zu, Shanghai Jiao Tong University

Talks

- DESI Winter Collaboration Meeting, Tucson, USA — Dec 2025
- Gravitational Lensing Workshop, Shanxi, China — Sept 2024
- "Small Galaxies, Cosmic Questions - II", Durham, UK — July 2024
- The 32nd Texas Symposium on Relativistic Astrophysics, Shanghai, China — Dec 2023
- The 2nd Shanghai Assembly on Cosmology and Structure Formation, Shanghai, China — Nov 2023
- DESI July 2023 Hybrid Collaboration Meeting, Durham, UK (spotlight talk) — July 2023
- 10th Workshop on Gravitational Lensing, Qingdao, China — June 2023
- The 1st KIAA Forum on Gas in Galaxies for Early Career Scientists, KIAA, Peking University, China (online) — Nov 2021

Honors and Awards

- T.D. Lee Scholarship — 2024
- Minghong Scholarship (First Class) — 2023
- Yangyang Scholarship — 2023
- Outstanding Graduate of Nanjing University — 2020
- Member of NJU Elite Project — 2016 – 2020
- Elite Project Scholarship — 2017, 2019
- People's Scholarship — 2017 – 2019
- Annual Scholarship of NAOC, CAS — 2018
- Excellent Student — 2017

Service and Outreach

- **Co-chairing** DESI Early Career Scientist Committee — Aug 2026 – Now
  Organize and coordinate activities beneficial to ECS members in DESI.
- **Volunteering** at Guangqi Observatory, Shanghai Jiao Tong University — 2021-2024
  Helping to set up telescopes, guiding visitors, and sharing basic astronomy knowledge every month.
- **Teaching** at Qinhuai 2nd Experimental Primary School — Spring 2017
  Teaching pupils elementary astronomy knowledge.
